Re: U.S. v. [illegible] M. [illegible]
Case No: 09-CR-222

Dear U.S. Judge C. Clevert:

I am writing to you regarding my Sentencing on May 10th 2010. I must tell you, your Honor, that I take responsibility for my actions. As I sit here and evaluate my choices I made, I see now how foolish and [illegible]. [illegible] for [illegible] "a [illegible]" was [illegible] Jan [illegible] 2007 [illegible] Foundation for [illegible]

During that time, I found myself searching for solace and acceptance and found that when I met a guy "Jory Stinson" who started to teach me about "Islam" and I became a Muslim. Little did I know I was being subjected to his teaching me a "[illegible]" form of "Islam".

This led me to writing some crazy and threatening letters while I was in Brown County Jail being questioned by the F.B.I. I recieved some letters from Jory Stinson while I was in Brown County [illegible] telling me

I needed to draw attention away from the F.b.i investigating Tony Stancanico so I figured the best way would be to start producing some questionable threats.

I was not thinking "clearly" when I did these writings your Honor. As I would never carry out any mission to hurt people that is not in my calibre.

I have since watch videos your Honor. Talked to some mainstream islamic scholars (i.e. Shaykh Hamza Yusuf) and read some "correct" islamic literature that has "pulled me back down to normalcy" thinking and not being "brainwashed" in that sense with a radical Islam your Honor.

I This letter to you your Honor I hope [illegible] I [illegible] my "ambition" [illegible] for my actions. I wish I could take back what I did your Honor but I [illegible] learn from it. I [illegible] "[illegible]" my [illegible] learning how I must live in a responsible, productive and accountable fashion.

I have a niece and nephew I would like to return home to your Honor and be their uncle. I haven't yet had a opportunity to [illegible]

within my family. I'm not merely shifting the blame for my actions your Honor, but I hope you can understand my speech to you and how I was never meaning anything out them letters sir!

I apologize to the court and to Judge Griesbach for my foolish decisions and pray for their Foregiveness.

Thank you for your time in reading my letter your Honor and I pray that you make allow me an opportunity to reprove myself and show the court that this time of incarceration over this year has allowed me to really sit down and re-evaluate my life in this responsible, productive and accountable fashion which I've done.

Thank you,

Respectfully,
